WELCOME TO RENEGADE CHEER

We are excited to offer Calgary a new cheer experience!

At Renegade you are not part of a franchise you are part of a family!

Our priorities are...

- Providing a safe place to grow and a healthy cheer culture
- Improved communication between athletes, parents and coaches
- Exemplifying good sportsmanship and empathy
- Developing skills to productively work with their teammates
- Have fun and keep the competitive spirit
- Focus on mental and physical wellness
- Inspiring and empowering the next generation
- Transparency surrounding fees and making the sport more accessible for all
- Empowering athletes to reach their goals

PATHS TO SUCCESS

Recreational Cheer

No experience is necessary for this fun introductory class which has been specially created for learning all the fundamentals. Our recreational program focuses on developing the foundation for a future in the sport of cheerleading. Our curriculum includes stunting, tumbling, jumps, dance, coordination, learning choreography, flexibility, strength, cheer vocabulary, teamwork, and developing confidence. Practices are structured around athletes' ages and run once per week.

We are also excited to announce our Masters program. This program is for athletes who want to train at a higher level without the pressure of competition. Want to return to cheer? Want to maintain your skills but can't commit to a full competitive season? Do you have experience in other sports and you are looking for something new? This team is built for you!

All-Star Cheer – Novice

Our Novice program is the start of our competitive track. Novice is the perfect step between recreational and all-star, in novice athletes learn a full routine where they are taught the fundamentals of a competitive routine. Athletes can start tryouts at this level but it is not mandatory. Everyone is offered an opportunity to be part of our cheer program.

All-Star Cheer – Competitive

For athletes of all ages aspiring to compete at the regional and national level. Our competitive teams require a high level of commitment and will receive advanced training, personalized coaching, and opportunities to showcase their skills at various competitions. Our All-star teams are for athletes ranging in skill levels 1-4. Our teams have varied age groups and are created based on our programs needs after summer training. With the experience and track record of our coaching staff we will help our athletes understand technique, and fine-tune their skill set.

All-Star Cheer – Worlds

Our worlds program is for level 5-7 athletes and is our most competitive program. These teams require a high level of dedication and discipline. Our worlds teams will compete at the Cheerleading World Championships held in Orlando, Florida in late April. We are excited to offer multiple worlds teams in our first season!

Not sure what to register for? Come on out and we'll be happy to guide you every step of the way!

The purpose of tryouts is to allow athletes to display their skills so they can be placed for level-appropriate training before team placements. Level training will allow coaches to further assess an athlete's skill level and provide time to discuss developmental goals with athletes and parents. Team announcements are tentatively scheduled to coincide with the Calgary Stampede.
